Dear Parents,

The last few days have seen the high school halls alive with the sound of dance, drama and artistic endeavors, as ISM hosts IASAS Cultural Convention 2013. If you have any time available to watch some of the fabulous performances, then please check out the IASAS schedule. You will not be disappointed. The ISM Drama performance, an original piece of work, set during the Japanese occupation of Manila during World War Two, will close the convention at 2:20pm on Saturday. The URL for the live feed is: <http://community.ismanila.org/livestream/>

You will find in this bulletin a status report of ISM's college acceptances. We provide this list of where our seniors have applied and been successful at this time of the year, so that you can get a sense of how well the Class of 2013 is doing and also as one measure of how well we are doing as a school. I am very pleased to report that we are delighted with our acceptances to date.

The senior class has been very busy as much of their IB work has culminated in final internal assessments being due. The good news is that in almost all cases the internal assessment is completed and students can now focus on IB Mock Exams, which start on March 20th and of course the actual IB/AP exams, which start on May 2nd.

At this time of the year there are many high school activities on the go, here is a selection:

- No Homework weekend this weekend
- MAP testing will start on Monday March 4<sup>th</sup>
- Battle of the Bands Finals – Saturday March 9<sup>th</sup>.
- BEIMUN – our MUN students will attend the Beijing MUN Conference – March 13-17
- IASAS Softball exchanges March 15-17
- ISM track meet March 16<sup>th</sup>
- ISM Vex Robotics Team in Bangkok – March 21-24

The most important task of an international school administrator is to staff the school with the very best teachers that can be sourced from around the world. Again I am very pleased to report that the HS is now fully staffed for next school year with an incredibly talented group of new teachers. We are always sad to say goodbye to teachers and I will comment on departing teachers in a later post, but I did want to take this opportunity to briefly introduce our new hires for August 2013.

- ALICIA DUELL** - HS Library Media Specialist coming from Chicago, USA
- IAN DUELL** - HS Social Studies husband of Alicia
- HAI HO** - HS Math - coming from Suzhou, China
- PRADEEP MALIK** - HS Physics, coming from Bangkok
- RACHEL MALIK** - HS English, wife of Pradeep
- ANDREW MAWER**- HS Chemistry, coming from the UK
- PETER REEH**- HS Physics, coming from the UK
- CHRISSANE ROSELEIP** - HS Math, coming from Taipei, Taiwan
- FRANSIEN HOWARTH** - HS PE, coming from Bangkok
- JAIME MARTINEZ**– HS Math, coming from the ISM MS

Our next HS Parent Coffee will be on Tuesday, March 12. The general theme will be technology and the plan to have everyone in HS BYOD in SY 2013-2014. (In case you're not sure...bring your own device!)

Now, I'm off view the IASAS art and watch the next round of fabulous dance and drama.

Kind regards

William R. S. Brown  
High School Principal

### **FROM THE COUNSELING OFFICE:**

A group of 18 US universities representing the Colleges That Change Lives will be participating in a College Fair on Monday, March 4, during lunch in Lofthouse C. Please mark your calendars and plan to attend.

"Colleges That Change Lives" is a designation given to 40 selected liberal arts universities that are widely recognized for changing positively the lives of their students and exceeding the Ivy League and major universities in producing winners. These schools were first identified in Loren Pope's book Colleges That Change Lives in 1996. CTCL colleges focus on teaching as well as providing a supportive community for their students. In the introduction to the second edition of his book, Pope wrote "This book will help youths of many levels of academic aptitude find catalytic colleges that will change their lives, help them find themselves, raise their aspirations, and empower them." Come and learn more about these powerful universities that may be a great fit for your child. You can also visit their website at [www.ctcl.org](http://www.ctcl.org).

Additionally, one of the CTCL university representatives will present a session for parents on the value of a liberal arts education, 12:15-12:45 p.m. in Lofthouse C.

## ISM hosts the 31<sup>st</sup> IASAS Cultural Convention (Art/ Dance/ Drama)!

### IASAS Cultural Convention: A Brief Guide to Performances

IASAS Cultural Convention has finally arrived and the first performances are staged on Thursday, February 27th. Here is a brief outline of the shows on offer. The information we have for each is limited to programs and conversations about technical requirements but this is what can be gleaned so far:

- ISM Dance- Nang Mamatay Ng Dahil Sa (To Die For): An exploration of females who when instrumental in the Philippines Revolution.
- AS Drama- Macbeth: One of Shakespeare's most well-known plays edited to 45 minutes
- SAS Dance- A piece responding to concentration camps during World War Two. (Sensitive subject matter; please consider age of students attending.)
- JIS Drama- A Harold: This is the name for a long form improvised performance so be prepared for anything! (Generally a comic storyline.)
- ISKL Dance- Mad As Hell: Looks at problems within society and promotes the idea that the public should be "Mad As Hell" rather than accept such things. (Sensitive subject matter explored; please consider age of students attending.)
- SAS Drama- Eat, Play, Love: A series of seemingly unconnected scenes that pull together around the title.
- ISB Dance- Noir: An exploration of film genre Noir which was popular in the 40's and 50's and its possible connections to today's world.
- ISKL Drama- The Ned Warriors: An example of the Futurist and Neo-Futurist genres. This type of theatre celebrates living in the present and demands that society throws tradition aside. A definite celebration of comedy with a sense of humor.
- TAS Dance- O2CO2- Our connection with oxygen and carbon dioxide. There are few details beyond pictures of bubbles and the tech details promise a great ending.
- ISB Drama- ex-POE-se- An expressionist- style play that explores the writing of Edgar Allen Poe. The director has said this is suitable for 13 years and above.
- JIS Dance- IODOS: One for keen scientists as states of matter, synthesis, displacement and decomposition are all represented through Dance.
- ISM Drama- Pearl of the Orient: An exploration of characters living through the Japanese occupation of Manila during World War Two. T
- Art Exhibition in Fine Arts Gallery: The variety of art on offer is too wide and varied to be summarized here so please pop in at any stage from the opening at 5.30pm on Thursday until 12.30pm on Saturday.

Below is a revised copy of the schedule. Please note that timing is precise and latecomers will not be admitted. House doors close 3 minutes before show begins:

**IASAS AUDIENCE CODE OF CONDUCT**

**While we welcome the ISM community to enjoy these performances and the Art Exhibition, we would appreciate you taking into consideration the following recommendations:**

**BE ON TIME:** You will notice that timings are very precise. This is because the theatre is in use the whole day for technical rehearsals. There is no time allowance for lateness. With this in mind you must arrive before the start time. Latecomers will be refused access, even if you have a child performing.

**SWITCH IT OFF:** These plays are the culmination of months of hard work, please turn all phones off. It is an expectation of all audience members to adhere to this. You will not be able to leave to take a call during any performance. IASAS is very serious about this rule and it is considered the height of bad manners to admit audience members who are not aware of this. We want to make a good impression as the hosts and lead by example.

**NO PHOTOGRAPHY:** We have a team of student photographers and a photography expert taking photos. We are also videoing all performances and copies of these will be available via the Fine Arts Office. Flash photography is distracting.

**CONSIDER CONTENT:** These performances were developed with HS audiences in mind. While most performances are family friendly, we advise discretion when bringing MS audience members to watch. The ISB Drama group has already advised that their performance on the Saturday morning is not suitable for those students less than 13 years of age. MS students, who want to watch JIS Dance and ISM Drama, will be admitted to the theatre at 1.30pm. The ISKL Dance and SAS Dance also address sensitive issues that will require parental guidance for those under 13.

## **Withdrawal Procedure for Students Leaving ISM**

For those students who will be withdrawing from International School Manila this year, the following procedure applies:

Parents are obliged to inform the School **officially** through a **WITHDRAWAL NOTIFICATION FORM**, **before the second Friday of May**, if their children will not be returning to ISM.

**Failure to do so will lead to a deduction of US\$1,000 from the Facilities Upgrade Deposit (FUD), in compensation for having held a space for the child and thus preventing the School from offering that space to another child prior to the summer holiday break.**

The Withdrawal Notification Form can be obtained from the Admissions Office or directly from the ISM website [www.ismanila.org](http://www.ismanila.org) under [Admissions](#) > [Re-Enrollment & Withdrawal](#) > [Withdrawal](#)

STEP 1: Return the **Withdrawal Notification Form** to the Admissions Office or scanned and e-mailed as an attachment to [admissions@ismanila.org](mailto:admissions@ismanila.org) .

- Upon receipt of the **Withdrawal Notification Form** by the Admissions Office, a copy will be forwarded to the appropriate School Office and the Finance Office for their action.
- The School Office, upon receipt of the **Withdrawal Notification Form**, will initiate the student clearance procedure which requires a Middle or High School student to have the **Student Clearance Slip** signed by the indicated teachers and offices for clearance. For Elementary students, the Elementary Office will handle the withdrawal clearance.
- Note that school transcripts and records will be available from the particular school office approximately fifteen working days after the child's last day of attendance at ISM. **Please coordinate directly with the particular School Office if you require other arrangements.**

STEP 2: If required, and when completed, the **Student Clearance Slip** must be taken to the Cashier's Office. Only **after** the Cashier has received and signed the completed clearance form will the child's transcript or school records be released from the Elementary, Middle or High School Office. Please note that **one** copy of the transcript is provided free of charge, additional copies cost P100 each, payable at the Cashier's Office before release. **Please coordinate directly with the particular School Office if you require more than one copy of school records.**

STEP 3: In order to receive your Facilities Upgrade Deposit or FUD (formerly the Special Project Deposit) refund, the following must be submitted to the **Cashier's Office**:

- 1) Signed Student Clearance Slip
- 2) Signed Facilities Upgrade Deposit Certificate

Please note that the FUD refund will not be released before your child's last day of school and may take up to thirty (**30**) **days**. Only the person whose name appears on the FUD Certificate may claim the refund at the Cashier's Office. **Please call the Cashier at 840-8506 if you have questions regarding your FUD Certificate.**

Please allow the withdrawal process to go smoothly by starting the process early. Thank you for your help and understanding.

If you will be withdrawing before the end of the school year and wish to receive your child's YEARBOOK please submit the appropriate form to the School Office. The forms are available through the web site: Admission > Re-Enrollment & Withdrawal>Withdrawal
